**IT'S NOT EASY BEING GOOD.**

But someone has to do it.

We care about you and the planet  
so we're not just sitting around.  
we're out there walking the talk  
(sometimes biking or running it but  
you get the idea).

**We're Good Earth and we make tea.**  
But we don't just stick to the ordinary stuff.  
We seek out the Exotic. The unexpected.  
The moments where you can really let  
loose. Because that's what tea should do.  
And so that's how we make it.
